

Workshop Agenda 22 September 2019

Time	Speaker	Topic
8:30 – 9.00		Registration Workshop Opening Opening Remarks
9.00 – 9.30	Elham Salah	Introductions and Expectations of Participants Workshop Objectives and Organisation

Session 1: Concepts of Editing of Administrative Data

9.30- 10.00	Elham Salah	Using Administrative Data for Statistical Purposes in the GCC Statistical System What is Administrative Data Overview of Administrative Data projects in GCC Statistical system
-------------	-------------	--

10.15- 10.45	Danilo Dolenc	Common Errors in Administrative Data – International Perspective - Types of errors in Administrative data – European Experiences - Common causes of error
--------------	---------------	--

10.45- 11.00 Coffee Break

11.00 -11.45	Batoul Obaid	Editing/Data Cleansing in the Data Cycle Where editing fits in the Statistical Cycle Standard Type of Errors Coverage Error (including Missing/Invalid records) Content Error (Missing data values, Range errors, Inconsistencies)
--------------	--------------	---

11.45 – 12.30	Danilo Dolenc	Structure of Administrative Data -Identifiers and Linking Variables -Data Sources -Data Variables
---------------	---------------	---

Workshop Agenda 22 September 2019

Time	Speaker	Topic
Session 2: Quality of Administrative Data in GCC		
12.45 – 1.15		Prayer Break
1:15 – 1.45	Nancy McBeth	Applying GCC Quality Framework – Case Study 2020 Census -GCC Quality Framework -Quality control and Quality Assurance -Role of Editing in Quality Control and Quality Assurance
1.45 – 2.45	Country Representatives	Common Errors in Administrative Data – GCC Experiences - Country Presentations
2.45 – 3.00	Elham Salah	Review of Day 1
Lunch		

Workshop Agenda 23 September 2019

Time	Speaker	Topic
Session 3:Editing (Data Cleansing Techniques)		
8.30-9.00	Danilo Dolenc	Challenges in transition from Field survey to the register-based process in Slovenian Census case
9:00 – 9.45	Danilo Dolenc	Errors in Identifiers and Linking Variables -Impact of errors in Identifiers and Linking variables -Identifying errors in Identifiers and Linking variables -Correction Techniques
9.45 – 10.30	Danilo Dolenc	Editing within Individual Sources -Identifying errors in Administrative Sources -Correcting errors – Principles and Practices -Special cases - Missing Records - Missing values Discussion
10.30-10.45		Coffee Break
10.45 – 11.45	Danilo Dolenc	Editing between different Register Sources - Identifying inconsistencies between different sources - Statistical approaches for managing inconsistencies Discussion

Workshop Agenda – 23 September 2019

Time	Speaker	Topic
Session 3: Editing (Data Cleansing Techniques)		
11.45 -12.45	Country Representatives	Experiences in GCC Countries Country Presentations
12.45 – 1.15		Prayer Break
1.15- 1.55	Nancy McBeth	Using Survey Data to help Validate/Correct Administrative based Data <ul style="list-style-type: none">- Using Survey Data to check/validate patterns of administrative data- Can survey data be used to correct individual administrative data records?
1.55 – 2.45	Danilo Dolenc	Using Administrative Data to help Validate/Correct Survey Data <ul style="list-style-type: none">-Using Administrative data to check/validate patterns in Survey dataUsing administrative data to correct/change individual survey responses
2.45 – 3.00	Batoul Obaid	Review of Day 2
Lunch		

Workshop Agenda - 24 September 2019

Time	Speaker	Topic
Session 4: Implementing Editing Techniques		
8.30-9.00	Nancy McBeth	Roles of NSOs and Administrative Agencies <ul style="list-style-type: none">- Custodians, owners, users of administrative data
9.00-9.30	Nancy McBeth	Feedback to Agencies <ul style="list-style-type: none">- Feedback on Quality- Maintaining support of Agencies- Managing differences in the administrative and statistical views of the data
9.30-10.00	Batoul Obaid	Documentation <ul style="list-style-type: none">- Documenting editing rules and decisions- Metadata
10.00-10.30	Danilo Dolenc	Editing in the Slovenian Census – Case Study <ul style="list-style-type: none">- Overview of Slovenian Census- Role of Editing
10.30-10.45		Coffee Break
Session 5: Practical applications		
10.45 – 11.45	All	Practical Session 1 – Identifiers and Linking Variables <ul style="list-style-type: none">-Practical activities
11.45 -12.45	All	Practical Session 2 – Editing Within Sources <ul style="list-style-type: none">-Practical activities
12.45 – 1.15		Prayer Break
1.15- 2.15	All	Practical Session 3 Editing across Sources <ul style="list-style-type: none">-Practical activities
2.15 – 2.30	Elham Salah Batoul Obaid Nancy McBeth	Review of Workshop
2.30 – 3.00		Closing Ceremony
Lunch
